Theres no guaruntee that we'll see tommorrow
Heaven only knows how long we have
So theres no way I'll ever for one second let you
wonder
Just how long my love for you will last

Chorus

Till my last breath, till I'm called on high, till the Angels
come, and I see the light, to the very end, till I give in,
to the last beat of my heart, No I can' swear that I'll be
here for the rest of your life but I swear Ill love you for
the rest of mine.

Instrumental

Chorus

Till my last breath, till I'm called on high, till the Angels
come, and I see the light, to the very end, till I give in,
to the last beat of my heart, No I can' swear that I'll be
here for the rest of your life but I swear Ill love you for
the rest of mine.

No I cant swear that I'll be here for the rest of your life,
but I swear I'll love you for the rest of mine.
