So many close calls, dodging wreckin' balls
There ain't a pitfall I didn't fall through
Girl, there's no telling how I ever made it out
And lived to talk about the reckless things I used to do
Oh to tell the truth

I shouldn't be alive, I've seen the other side
All I can say is I'm just happy to be here
Wrapped in your loving arms just like an answered
prayer
There's a God out there and I'm just happy to be here
Happy to be here

Baby, when I see your face, I'm in a better place
Girl, I'm so blown away that Heaven came down to me
How'd I get so lucky?

I shouldn't be alive, I've seen the other side
All I can say is I'm just happy to be here
Wrapped in your loving arms just like an answered
prayer
There's a God out there and I'm just happy to be here

Right with you baby
For the rest of my life
I'm happy to be here
For the rest of my life
Right with you baby

I shouldn't be alive, I've seen the other side
All I can say is I'm just happy to be here
Wrapped in your loving arms just like an answered
prayer
There's a God out there and I'm just happy to be here
Happy to be here
For the rest of my life
