Well boys I hate to leave good company,
But my baby just called me on the phone,
From the sound of her voice,
I simply have no choice,
I left somethin' turned on at home,

Well I just put a quarter in the jukebox,
And it ain't half way through my favorite song,
But if I don't leave right now,
My whole place might burn down,
'Cause I left somethin' turned on at home,

(chorus)
It ain't the stove,
It ain't the heater,
She's hotter and a whole lot sweeter,
And all day long,
She's been there alone,
Right now her arms are open,
The house is a probably smokin',
'Cause I left somethin' turned on at home,

Hey waitress could you cancel that order,
But if it's too late I'll take it to go,
Boys I gotta run,
Before somebody calls 911,
'Cause I left somethin' turned on at home,

(chorus)
It ain't the stove,
It ain't the heater,
She's hotter and a whole lot sweeter,
And all day long,
She's been there alone,
Right now her arms are open,
The house is a probably smokin',
'Cause I left somethin' turned on at home,
Right now her arms are open,
The house is a probably smokin',
'Cause I left somethin' turned on at home,
Yea I left somethin' turned on at home.
