This gettin' up early, pulling double shifts
Gonna make an old man of me
Long before I ever get rich but I'm tryin'

It's been two years since we've finalized
I still ain't used to puttin' 'Ex' in front of wife
But I'm tryin'

Send more money right away is pretty much
All she has to say when she calls these days
And don't you be late

But all I can do is all I can do
And I keep on tryin'
And all I can be is all I can be
And I keep on tryin'

There's always a mountain in front of me
Seems I'm always climbin' and fallin' and climbin'
But I keep on tryin'

I remember daddy sayin
"Keep your eye on the ball, run like hell, play to win
Get up when you fall", I'm tryin'

Don't say nothin' that you can't take back
Never do anything you might regret
No don't do that, daddy, I'm tryin'

Know the difference between Heaven and Hell
Go easy on the bottle, be hard on yourself
And I know he meant well

But all I can do is all I can do
And I keep on tryin'
And all I can be is all I can be
And I keep on tryin'

But there's always a mountain in front of me
Seems I'm always climbin' and fallin' and climbin'
But I keep on tryin', keep on tryin'

Well, all I can do is all I can do
And I keep on tryin'
And all I can be, well that's all I can be
And I keep on tryin'

All I can do is all I can do
But I keep on tryin'

There's always a mountain in front of me
Seems I'm always climbin' and stumblin'
And then fallin' and then climbin'
But I keep on tryin'

This gettin' up early pullin' double shifts
Gonna make an old man of me
Long before I ever get rich but I'm tryin'
