The quarterback down at the school  
Makes all the rules cause he's super cool  
And everybody wants to be just like him

There's a little girl in his homeroom class  
Sits in the back cause she thinks she's fat  
Lookin' for a corner she can hide in.

In life there ain't too many level playin' fields  
And it don't seem fair, but here's the deal  
Brother, here's the deal

You can walk on water  
You can walk on the moon  
You can walk through Memphis  
Wearin' blue suede shoes  
When the walkin' is over  
At the end of the road  
It ain't what you've done, son  
It's who you know,  
Yeah it's who you know

Meet the man who owns it all  
That's him there on the lobby wall  
Don't it look like he's been carved from granite

His hands are soft, his heart is hard  
And he only smokes the best cigars  
And you'll call him Sir  
Cause he's earned it, damn it

There's a little old lady  
Cleanin' up after him at night  
And she prays someday that he'll see the light  
Now I think she's got it right

You can walk on water  
You can walk on the moon  
You can walk through Memphis  
Wearin' blue suede shoes  
When the walkin' is over

At the end of the road  
It ain't what you've done, son  
It's who you know,  
Yeah, yeah, it's who you know

At the end of the road  
It's who you know

You can walk on water  
(Yes it's who you know)  
You can walk on the moon  
(He's the man with the plan)  
You can walk through Memphis  
Wearin' blue suede shoes  
When the walkin' is over  
At the end of the road  
It ain't what you've done, son  
It's who you know,  
It ain't what you've done, son  
It's who you know
