If anybody had told me that anybody'd have a hold on
me

I'd say they were out of their mind
But speakin' of crazy, I'm findin' lately
All I want, all I need, all the time is

More of your sweet love
Too much just ain't enough
I never needed a fix like this before
Too strong to resist
I don't know when to quit
Like a kid in a candy store
You keep me comin' back for more

I can't explain it, I'm more than infatuated
You got me good, I got it bad
There's no doubt about it, I can't live without it
What you got I just gotta have
So gimme

More of your sweet love
Too much just ain't enough
I never needed a fix like this before
Too strong to resist
I don't know when to quit
Like a kid in a candy store
You keep me comin' back for more

Too strong to resist
I don't know when to quit
Like a kid in a candy store
You keep me comin' back for more
You keep me comin' back for more
You keep me comin' back for more more and more and
more
You keep me comin' back for more
Give me, give me, give me some more
I'm coming back for more
