I've got this craving around the clock  
And it's got a hold on me  
I've had it bad since the moment we met  
I can't get no relief

You're the only train of thought on my one track mind  
Going ninety miles an hour baby all the time

Twenty-four, seven  
You're the only thing that matters to me  
Twenty-four hours girl, every day  
Seven long days a week  
I'm in heaven, heaven  
Twenty-four, seven

Every night when I go to sleep  
In my dreams there you are  
You're the first thing I think about  
And that's how the morning starts

It seems like everything I say and do  
Is all about me being in love with you  
Twenty-four, seven  
You're the only thing that matters to me  
Twenty-four hours girl, every day  
Seven long days a week  
I'm in heaven, heaven  
Twenty-four, seven

You're the only train of thought on my one track mind  
Going ninety miles an hour baby all the time

Twenty-four, seven  
You're the only thing that matters to me  
Twenty-four hours girl, every day  
Seven long days a week  
I'm in heaven, heaven  
Twenty-four, seven

I'm in heaven  
Twenty-four, seven  
Twenty-four hours girl, every day

Seven long days a week  
I'm in heaven, heaven  
Twenty-four seven  
Twenty-four seven girl
