I like to be a little wild
I like to raise a little cane
I wanna keep it on the edge
And let my restless heart remain untamed

I'm gonna live the way I love
And love the way I live
Walk the highest wire
And stay out on the limb
Away from any fences
Free of any chains
Unbound, untied, untamed

I only want what I've got comin'
I'll take the credit and the blame
Even when I'm bent and broken
I pray my spirit always stays untamed

I'm gonna live the way I love
And love the way I live
Walk the highest wire
And stay out on the limb
Away from any fences
Free of any chains
Unbound, untied, untamed

I take no map, I make no plans
I've let go of the reins
I have no rules, I feel no fear
No restraints, untamed

Away from any fences
Free of any chains
Unbound, untied, untamed
Untamed
Untamed
Untamed
Untamed
(Untamed)
Ooo waoh
You know untamed
(Untamed)

Ohh untamed
