Its gonna be another lonely night
One more and I'm gonna die
Wired out waiting for the sign
Coz your a risk and I'm borderline

All I know is I've been sitting with this fire
and it burns inside
Man if you want me to walk your line then
dont stop at 8 no lets take it
To the 9's
I know that we should lay out and love
Because man I really need it
To the 9's
I may be full but It's not enough
Come and show me how to feel it

Its gonna be another lonely night
One more and I'm gonna die
Wired out waiting for the sign
Coz your a risk and I'm borderline

All or nothing
You know thats how I play the game
and I'm ready now
Man if you want me,
come cross the line and
Slide up to 8 then lets take it
To the 9's
I know that we should lay out and love
Because man I really need it
To the 9's
I may be full but It's not enough
Come and show me how to feel it

Its gonna be another lonely night
One more and I'm gonna die
Wired out waiting for the sign
Coz your a risk and I'm borderline

Ooh,yeah I'm borderline...Ooh ooh
Ooh,can you feel it now?...Ooh ooh
And I'm borderline

And I'm borderline
And I'm borderline...
line line line line line line line line line

Its gonna be another lonely night
One more and I'm gonna die
Wired out waiting for the sign
Coz your a risk and I'm borderline

Ooh,yeah I'm borderline...Ooh ooh
Ooh,can you feel it now?...Ooh ooh
