You've gone and done it again  
You're always screwing with my mind:  
So sick & tired of this  
You've pushed me way to far this time

[Pre-Chorus:]

But, I'm going to expose you  
For the shit that you've become and  
Violate you, desecrate you  
Just like you've done

[Chorus:]

It's an eye for an eye  
It's your turn to suffer this time  
It's an eye for an eye  
What goes around, comes around, goes around:  
(You don't deserve the right to see)

You screwed me over again  
You're such a lying little prick  
What do you get out of this?  
Whatever it is:it makes me sick!

[Pre-Chorus]

[Chorus]

[Bridge:]

What goes around,  
Comes around &  
We all reap what we sow!

[Chorus]
