Here comes the boy that I love
(Here comes the boy that I love)
Here comes the boy that I love

Everything about him
Seemed to catch my eye
Don't you love the way
He's kind of quiet and shy
Doesn't make a lot of money
But, oh, my

He's sure the boy that I love
(He's sure the boy that I love)
He's sure the boy that I love
(He's sure the boy that I love)

Here comes the boy that I love
(Here comes the boy that I love)
Here comes the boy that I love

Look at how he comes
Walking down the street
Watch the way he swaggers
When he moves his feet
He isn't very handsome
But he's awful sweet

Here comes the boy that I love
(He's sure the boy that I love)
He's sure the boy that I love

Watch out, girls
Keep your hands off him
That's how it's gotta be

Cool it, girls
I'm working on him
And someday, he's
Gonna belong to me

Here comes the boy that I love
(Here comes the boy that I love)

Here comes the boy that I love
(Here comes the boy that I love)
Here comes the boy that I love
(Here comes the boy that I love)
Here comes the boy that I love

Everybody told me
Not to make a play
Now and then, I catch him
When he looks my way
So I know there'll come a day
When I will hear him say

Here comes the girl that I love
(Here comes the boy that I love)
Yes, he's the boy that I love

Watch out, girls
Keep your hands off him
That's how it's gotta be

Cool it, girls
I'm working on him
And someday, he's
Gonna belong to me

Here comes the boy that I love
(Here comes the boy that I love)
Here comes the boy that I love
(Here comes the boy that I love)
Here comes the boy that I love
(Here comes the boy that I love)
Here comes the boy that I love

Everybody told me
Not to make a play
Now and then, I catch him
When he looks my way
So I know there'll come a day
When I will hear him say

Here comes the girl that I love
(Here comes the boy that I love)
Yes, he's the boy that I love

Here comes the boy that I love
(Here comes the boy that I love)
Here comes the boy that I love
(Here comes the boy that I love)
Here comes the boy that I love
(Here comes the boy that I love)...
