I Hate Teachers Shouting At Me,
Shouting, Shouting At Me,
Shouting, shouting at me
I Hate Teachers Shouting At Me,
Cause I be day dreaming or falling a sleep
I Hate Teachers Shouting At Me,
Shouting, Shouting At Me,
Shouting, shouting at me
I Hate Teachers Shouting At Me,
Cause I be day dreaming or falling a sleep

[Verse One]

Don't You hate when a teacher starts shouting at you,
And asks you a question but you aint got a glue,
The teacher talking Shit,
But I be daydreaming,
Then she tells me duane can you please start reading,
I put my head in the book and I read the wrong page,
Now I wish I wernt day dreaming about me on stage,
Now she point and shouting sent me out of the class,
I got a test next week but I'm not gonna pass,
Now she came out the class started shouting at me,
She gave me dentention till half past 3,
Why she staring at me giving me a mean look,
This wouldn't of happend if I just read the book,
I tryed to keep my face straight but her breath was stinkin,
I hesitated so I held my nose with out thinking,
She got mad sent me to a diffrent class,
If I knew her breath would of been that bad,
I would of brang a mask,
