"Then You Can Tell Me Good Bye"

Kiss me each morning for a million years
Hold me each evening by your side
Tell me you love me for a million years
If it don't work out, if it don't work out
Then you can tell me goodbye

Sweeten my coffee with a morning kiss
Soften my dreams with your sighs
Tell me you love me for a million years
If it don't work out, if it don't work out
Then you can tell me goodbye

If you must go, oh no, I won't grieve
If you wait a lifetime before you leave
And if you must go on, I won't say no

But just so we can say we tried
Tell me you love me for a million years
If it don't work out, if it don't work out
Then you can tell me goodbye
