If you hear me howlin'  
Callin' on my darlin'

He's hot like habanero  
Sweet like cherry pie  
I'm so glad he loves me  
Love me all the time

He's my little baby  
Sweet as he can be  
All the love he got  
Sure enough belong to me

If you hear me howlin'  
Callin' on my darlin'

If you hear me howlin'  
Callin' on my darlin'

Let me tell you something crazy

Every time he kiss me  
Makes the lights go out  
Early in the mornin'  
Can make me jump and shout

This bad love he got  
Can make me laugh or cry  
But it makes me really know  
I'm too young to die

If you hear me howlin'  
Callin' on my darlin'

Won't you hear me callin'?  
Come on home
