"I Still Miss Someone"

At my door, the leaves are fallin'
The cold wild wind will come
Sweethearts walk together
And I still miss someone

I went out on a party
To have a little fun
But I found the darkest corner
'Cause I still miss someone

But I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there

I wonder if he's sorry
For leavin' what we'd begun
There's someone for me somewhere
And I still miss someone

I never got over
