The man I love won't treat me right
Leave every mo'nin', stay out all night
I'm gonna shoot him, I'm gonna shoot him
I'm gonna shoot that man 'cause he don't treat me
right

I give him all my money, ev'rything I had
I'm home in the evenin', feelin' bad
I'm gonna shoot him, I'm gonna shoot him
I'm gonna shoot that man 'cause he don't treat me
right

Well, let me tell you what my man would do
Tryin' to love me and my sister too
I'm gonna shoot him, I'm gonna shoot him
I'm gonna shoot that man 'cause he don't treat me
right

Little red roost told the little red hen
If I ever see your scratchin' on my nest again
I'm gonna shoot you, I'm gonna shoot you
I'm gonna shoot that woman if she don't treat me right

Love you baby, what can I do?
Never love me like I love you
I'm gonna shoot you, I'm gonna shoot you
I'm gonna shoot that man 'cause he don't treat me
right
