People, I've been misled  
And I've been afraid  
I've been kicked in the head  
And left for dead

I've been abused  
And I've been accused  
I've been refused  
A piece of bread

But I ain't never  
In my life before  
Seen so many love affairs  
Go wrong as I do today

I want you to stop  
And find out what's wrong  
Get it right  
Or just leave love alone

Because the love  
You save today  
May very well  
Be your own

I've been pushed around  
I've been lost and found  
I've been given 'til sundown  
To get out of town

I've been taken outside  
And I've been brutalized  
And I've had to always be the one  
To smile and apologize

But I ain't never  
In my life before  
Seen so many love affairs  
Go wrong as I do today

I want you to stop  
And find out what's wrong

Get it right  
Or please leave love alone

Because the love  
You save today  
May very well  
Be your own
