I awakened this morning, I was filled with despair
All my dreams turned to ashes and gone
When I looked at my life, it was barren and bare
Without love I've had nothing at all

Without love I've had nothing
Without love I've had nothing at all
I have conquered the world
But one thing did I have
Without love I've had nothing at all

Once I had a sweetheart who loved only me
There was nothing that she would not give
But I was blind to her goodness and I could not see
That a heart without love cannot live

Without love I've had nothing
Without love I've had nothing at all
I have conquered the world
But one thing did I have
Without love I've had nothing at all

Without love I've had nothing
Without love I've had nothing at all
I have conquered the world
But one, one thing did I have
Without love I've had nothing at all

I have conquered the world
But one thing did I have
Without love I've had nothing, nothing at all
