Intro:

Oh I just want you to know
No matter where you go
It doesn't matter cause you're still in my heart

Verse1

Thinking of you
Brings tears to my eyes
Seems yesterday we were planning our lives
I'm so confused wondering why
How could you leave without saying goodbye
I picture your smile inside of my head
Still smell your colonge all over my bed
I miss you so much I pray every night
That the angels are watching and training you right

Chorus:

Oh I just want you to know
No matter where you go
It doesn't matter cause you're still in my heart

Verse2

I sing to myself
So nobody hears
There's just no escaping the sounds of my tears
I miss you so much and every night
I can't get to sleep it ain't right
Memories keep holdin' me down
There's just no fun when you're not around
Don't know what to do now I face with the truth
Somehow I thought that we would always be in love

Chorus

Oh(oh baby)
I just want you to know(I just want you to know)
No matter where you go(no matter where you go)
It doesn't matter cause you're still in my heart(it doesn't
matter matter
Yeah yeah yeah yeah)

Still in my heart
(You're still in my heart)

You're still in my heart(3x's)
