The sweet sound of patent approval comin' down in a
not quite fog
The sweet sound of patent approval comin' down in
powdery sparks
The sweet sound of patent approval comin' down with
holiday concern
The sweet sound of patent approval comin' down in a
world of hurt

In my opinion the drug is ready

The warm hand of abject approval
Comin' down with its' ropey veins
The warm hand of abject approval
Comin' down to the fingerbowl

In my opinion the drug is ready

The cold eye of constant approval comin' down to
freeze the blood
The cold eye of constant approval comin' down to look
real close

In my opinion the drug is ready
