"Do You"

I know the place that is comfortable
I know the place that i come from
I know the grace of the chosen One
Do you? do you?
I know the tears that are on your face
I've sat in the shadow of disgrace
I know the grace of the chosen One
Do you? do you?
And i know what He's done for me,
And i know that beauty is awaiting me
I've felt the pain that you feel today
I know the shame that won't go away
I know the grace of the chosen One
Do you? do you?
And i know what He's done for me,
And i know that beauty is awaiting me
I know the grace of the chosen One
Do you? do you?
