

## Tragedy "Eyes Of Madness"

Visit "[Eyes Of Madness](#)" on MotoLyrics.com

Like pawns on a chessboard, we are directed  
Shuffled, misplaced and used to build a barrier  
Between madmen and their enemies  
In the eyes, in the eyes of madmen  
In the minds, in the minds of madmen  
Peace is a privilege reserved for those  
Who can afford not to fight in the wars  
They created, in the wars they create  
In the eyes, in the eyes of madmen  
In the minds, in the minds of madmen  
In the eyes of madmen, we are just figures on a chart  
We are just barriers in their path towards world  
Domination, domination, domination
