Watch the band.
Through a bunch of dancers.
Quickly, follow the unknown.
With something, more familiar.
Quickly, somethin' familiar.

Courage, my word.
It didn't come it doesn't matter.

Sleepwalk, so fast asleep,
In a motel, that has a lay of home.
And piss on all of your background.
And piss on all your surroundings.

Courage, my word.
It didn't come, it doesn't matter
Courage, your word.
It didn't come it doesn't matter.
Courage, my word.
It didn't come it doesn't matter.
Courage, it couldn't come at a worse time.

There's no simple explanation.
For anything important any of us do.
And yeah the human tragedy.
Consists of the necessity.
Of livin' with the consequences.
Under pressure, Under pressure.

Courage, my word.
It didn't come, it doesn't matter
Courage, your word.
It didn't come it doesn't matter.
Courage, my word.
It didn't come it doesn't matter.
Courage, It couldn't come at a worse time.
It couldn't come at a worse time.
It couldn't come at a worse time.
