He's a man-sized Eldorado  
Hooved a doo, who could blame him, who could blame him  
Where're we going? What's the ticket?  
Just the mention of Berlin makes me sexy, it makes me sexy

I'm tired of thinking 'bout drinking  
For thinking of drinking while thinking  
'Bout drinking and thinking 'bout drinking  
It's man-sized inside

Look in here, it's all hardwood  
What's that smell? Smells like coffee, smells like coffee  
If you regret it, please say something  
I've got no genius for evil that makes me common,  
makes me common

I'm tired of loving, recovering  
Loving, recovering, loving  
Recovering, loving, recovering  
It's man-sized inside

He's a man sized Eldorado  
Whopty-do, if you can't take it, you can't take it  
Where's she going? What's that ticking?  
Just the mention of Berlin makes me sexy, makes me sexy

I'm tired of thinking 'bout drinking  
For thinking of drinking while thinking  
'Bout drinking and thinking 'bout drinking

I'm tired of loving, recovering  
Loving, recovering, loving  
Recovering, loving, recovering  
It's man-sized inside, it's man-sized inside  
Inside, inside, inside, inside  
Inside, inside, inside
