We wake up different, rifle through our dreams
Another placid day, ripples at the seams

Do you think I bow out 'cause I think you're right?
Or 'cause I don't wanna fight?
Do you think I bow out 'cause I think you're right?
Or 'cause I don't wanna fight?

So tangle minded, then so becalmed
It's all so subway grim and then it's gone

Do you think I bow out 'cause I think you're right?
Or 'cause I don't wanna fight?
Do you think I bow out 'cause I think you're right?
Or 'cause I don't wanna fight?
You're heading for a fight

We get so weary, taking fish off hooks
It's not as effortless as it may look

Do you think I bow out 'cause I think you're right?
Or 'cause I don't wanna fight?
Do you think I bow out 'cause I think you're right?
Or 'cause I don't wanna fight?
Ah fight

We lay down seething, smell our pillows burn
Drift off to the place where you'd think we'd learn

Do you think I bow out 'cause I think you're right?
Or 'cause I don't wanna fight?
Do you think I bow out 'cause I think you're right?
Or 'cause I don't wanna fight?
Now I'm heading for fight
