He said I'm fabulously rich
Come on just let's go
She kinda bit her lip
Geez, I don't know

But I can guarantee
There'll be no knock on the door
I'm total pro
That's what I'm here for

I come from downtown
Born ready for you
Armed with will and determination
And grace too

The secret proves of engagement
Are hard to endorse
When the appearance of conflict
Meets the appearance of force

But I can guarantee
There'll be no knock on the door
I'm total pro here
That's what I'm here for

I come from downtown
Born ready for you
Armed with skill and it's frustration
And grace too
