Well it's 7 am
And she woke by the radio
Yea she rolled on over said,
"Where did my man go?"
She's been a gunslinger's wife
All her life
Now she fights when she's able
For the sake of the kids
When the knife's at their
Necks in the cradle
She screams,

I'll believe in you
Or i'll be leaving you tonight
I will believe in you
Or i'll be leaving you tonight

Well she's got all the kids
And she's got all their uses
But she loves them the same
For neglect and abuses
She got a warm spot
Where they fought
And they made up last evening
He said,
"Don't read too much in the fact that i'm leaving"
She screams,

I'll believe in you
Or i'll be leaving you tonight
I will believe in you
Or i'll be leaving you tonight
I will believe in you
Or i'll be leaving you tonight
I will believe in you
Or i'll be leaving you tonight

How do i explain this
I mean how do I put this into word
It's one thing or another
But it's neither this nor that
Acually it's a collection of things

She said,
"That's it, That's it, Get out"

Well her mother said.
"Kill him, slow at your leisure"
Ah but desperate times
Call for desperate measures
So she went to the closet
And she pulled the old gun down
"I'll put a bullet through his heart if he ain't home by
sundown"
Yea 5:55 he come walking in the front dor smiling
He said,
"Well don't read too much into what i ain't denying"
She screams,

I'll believe in you
Or i'll be leaving you tonight
I will believe in you
Or i'll be leaving you tonight
I will believe in you
Or i'll be leaving you tonight
I will believe in you
Or i'll be leaving you tonight
Well I believe in you
