We can take a bit of a breather
We can skip to the practical part
We can skip to the time of neither
When we're together
Even when we're apart

I'll tell you a story about the Lake Fever
Or we can skip to the coital fury
You didn't say yes or no, neither

You whispered
Hurry
Hurry
Hurry
Hurry

We can take it a little bit further
We can stick to the after-effects part
Not trying to make you a believer
Don't wanna a lil' piece of your heart

Just telling you a story about the Lake Fever
Or we can skip to a neutral fury
You didn't say, yes or no, neither

You whispered
Hurry
(Want to be a nobody without peer)
Hurry
(Want to be a thought that's never done)

Hurry
(Want to shake your faith in human nature)
Hurry
(Want to break the hearts of everyone)

Want to be your wheezing screen door
Want to be your stars of Algonquin
Want to be your roaring floorboard
Want to break the hearts of everyone

And cause discontent

Until they ceasing their investigation
Bring back the days events
Good citizens and time well spent
'Til we're talking in whispers again

Until we're talking in whispers again
Until we're talking in whispers again
Until we're talking in whispers again
