Cold wind blowing over your private parts
I know a lack you've got
Makes a strong case for art

Billboard breasts, they don't have a face
I know that fact you've got
No girl could ever trace

Lionized, lionize

Smoking just a little too violently
I know that fact I've got
And I know it single mindedly

Stupid, stoned, cause and effect
I know a lack you've got
If you don't even lack it yet

Lionized, lionize
Lionized, lionize

Tab love, live on
[Incomprehensible]

I can't draw but I can trace
I know a lack I've got
An abundance of extra space

Cold wind blowing over your private parts
I know a lack you've got
Is to make a strong case for art

Lionized, lionize
Lionized, lionize

Tab love, live on
[Incomprehensible]
Tab love, live on
