I've got a job, I explore, I follow every little whiff
And I want my life to smell like this
To find a place, ancient race, the kind you'd like to
gamble with
Where they'd stamp on burning bags of shit

Lookin' for a place to happen, makin' stops along the
way

Wayward, away we go, it's a shame to leave this
masterpiece
With it's gallery gods and it's garbage-bag trees
So I'll paint a scene from memory, so I'd know who
murdered me
It's a vain pursuit but it helps me sleep

Lookin' for a place to happen, makin' stops along the
way
Lookin' for a place to happen, makin' stops along the
way
Lookin' for a place to happen, makin' stops along the
way

Jacques Cartier, right this way, I'll put your coat up on
the bed
Hey man, you've got a real bum's eye for clothes
And come on in, sit right down, no you're not the first to
show
We've all been here since, God, who knows

Lookin' for a place to happen, makin' stops along the
way
Lookin' for a place to happen, makin' stops along the
way

Jacques Cartier, right this way, I'll put your coat up on
the bed
You've got a real bum's eye for clothes
Come on in, sit right down
We've all been here since, God, who knows
