He bought two fifths of lead free gasoline
Said, "The bottle is dusty, but my engine is clean"
He bought a nice blue suit with the money he could find
If his bride didn't like it, St.Peter wouldn't mind

But now I lie here so out of breath and over opiated
Maybe I couldn't catch up no but maybe he could've
waited

Well the medicine man started seeing red
You think the snake just dreams up the poison in his
head
While addicted to approval addicted to the air
It was see if you like it or see you up there

Now I lie here so out of breath and over opiated
Maybe I couldn't catch up no but maybe he could've
waited, yeah

Now I lie here so out of breath and over opiated
Maybe I couldn't catch up no but maybe he could've
waited

Now I lie here so out of breath and over opiated
Maybe I couldn't catch up no but maybe he could've
waited
Maybe he could have waited, maybe he could've
waited
