Instructions from the manual
Could not have been more plain
The blues are still required, that's right
The blues are still required again

Past territorial piss-posts
Past whispers in the closets

Past screamin' from the rooftops
We live to survive our paradoxes
We live to survive our paradoxes
We live to survive our paradoxes

[Incomprehensible]

Men here of the secret
They pass in upholstered silence
They only exist in crisis
They only exist in silence

Past territorial piss-posts
Past whispers in the closets

Past screamin' from the rooftops
We live to survive our paradoxes
We live to survive our paradoxes
We live to survive our paradoxes

We live to survive our paradoxes
We live to survive our paradoxes
We live to survive our paradoxes

[Incomprehensible] runin' out
[Incomprehensible] sixty seconds on the dial
And that takes a while
