You did the best that you could do.  
You were a great crew,  
Who tried to nurture and preserve your  
faith in you.  
And with the bureau chiefs  
and the shrugging spies  
You could stay, but why.

You see a light and then another  
And everything you fought for  
naught's uncovered.  
You're not a fighter, you're a lover.  
You got no business in here, brother  
So... stay.  
Stay.

Is it the worst that you could do?  
You were a great you,  
Who tried to nurture and preserve your  
faith in you  
And with the bureau chiefs  
and the shrugging spies  
You could stay and why.  
Cause you see a light and then another.  
Everything you thought you  
sought's uncovered.  
You're a fighter and a lover  
And there's no one up above her  
So ...stay.  
Stay.

All things being balanced,  
it's balanced and called balancing  
Somewhere beyond everything it's being  
balanced not for the  
Sake of balance but balancing between  
the throes of learning  
And the entire thing  
Entirely  
Balancing.
