Can we pretend that airplanes
In the night sky are like shooting stars?
I could really use a wish right now
Wish right now, wish right now

She lives in a fairy tale
Somewhere too far for us to find
Forgotten the taste and smell
Of a world that she's left behind

It's all about the exposure the lens I told her
The angles were all wrong now
She's ripping wings off of butterflies

(Keep your feet on the ground)
(When your head's in the clouds)

Well go get your shovel
And we'll dig a deep hole
To bury the castle, bury the castle
Well go get your shovel
And we'll dig a deep hole
To bury the castle, bury the castle
Ba da ba ba da ba ba da

So one day he found her crying
Coiled up on the dirty ground
Her prince finally came to save her
And the rest you can figure out

But it was a trick
And the clock struck twelve
Well make sure to build your home brick by boring brick
or the wolf's gonna blow it down

So, go get your shovel
And we'll dig a deep hole
To bury the castle, bury the castle
Well go get your shovel
And we'll dig a deep hole
To bury the castle, bury the castle
Oh, Whooh

Well you built up a world of magic
Because your real life is tragic
Yeah you built up a world of magic

If it's not real
You can't hold it in your hand
You can't feel it with your heart
And I won't believe it

But if it's true
You can see it with your eyes
Oh even in the dark
And that's where I want to be, yeah

Go get your shovel
We'll dig a deep hole
To bury the castle, bury the castle
Well go get your shovel
and we'll dig a deep hole
To bury the castle, bury the castle

(Ba ra ba ba ra ba ba ra, ba ra ba ba ba ra ba ba)
Can we pretend that airplanes
(Ba ra ba ba ra ba ba ra)
In the night sky are like shooting stars?
(Ba ra ba ba ba ra ba ba)
I could really use a wish right now
(Ba ra ba ba ra ba ba ra)
Wish right now, wish right now
(ba ra ba ba ba ra ba ba)

(Ba ra ba ba ra ba ba ra, ba ra ba ba ba ra ba ba)
Can we pretend that airplanes
(Ba ra ba ba ra ba ba ra)
In the night sky are like shooting stars?
(Ba ra ba ba ba ra ba ba)
I could really use a wish right now
(Ba ra ba ba ra ba ba ra, ba ra ba ba ba ra ba ba)
