Now that vesie's back in the atmosphere
With drops of jupiter in her hair,hey , hey

She acts like summer and walks like rain
Reminds me that there's time to change, hey,

Since the return from her stay on the moon
She listens like spring and she talks like june, hey, hey

Tell me did you sail across the sun
Did you make it to the milky way to see the lights all
faded
And that heaven is overrated

Tell me, did you fall for a shooting star
One without a permanent scar
And did you miss me while you were looking for
yourself out there

Now that vesie's back from that soul vacation
Tracing her way through the constellation, hey, hey
She checks out Mozart while she does tae-bo
Reminds me that there's room to grow, hey, hey

Now that vesie's back in the atmosphere
I'm afraid that she might think of me as plain ol' jane
Told a story about a man who is too afraid to fly so he
never did land

Tell me did the wind sweep you off your feet
Did you finally get the chance to dance along the light
of day
And head back to the milky way
And tell me, did venus blow your mind
Was it everything you wanted to find
And did you miss me while you were looking for
yourself out there

Can you imagine no love, pride, deep-fried chicken
Your best friend always sticking up for you even when I
know you're wrong
Can you imagine no first dance, freeze dried romance

five-hour phone

Conversation

The best soy latte that you ever had . . . and me
Tell me did the wind sweep you off your feet
Did you finally get the chance to dance along the light
of day
And head back toward the milky way

Tell me did you sail across the sun
Did you make it to the milky way to see the lights all
faded
And that heaven is overrated

Tell me, did you fall for a shooting star
One without a permanent scar
And did you miss me while you were looking for
yourself
