Forever can never be long enough for me  
To feel like I've had long enough with you  
Forget the world now, we won't let them see  
But there's one thing left to do

Now that the weight has lifted  
Love has surely shifted my way

Marry me  
Today and every day  
Marry me  
If I ever get the nerve to say hello in this cafe

Say you will  
Say you will

Together can never be close enough for me  
To feel like I am close enough to you  
You wear white and I'll wear out the words I love you  
And you're beautiful

Now that the wait is over  
And love and has finally showed her my way

Marry me  
Today and every day  
Marry me  
If I ever get the nerve to say hello in this cafe

Say you will  
Say you will

Promise me you'll always be  
Happy by my side  
I promise to sing to you  
When all the music dies

And marry me  
Today and everyday  
Marry me  
If I ever get the nerve to say hello in this cafe

Say you will  
Say you will  
Marry me
