She doesn't own a dress
her hair is always a mess
catch her stealin she won't confess
se's beautiful
smokes a pack a day
wait that's me but anyways
she doesn't care a thing about that hair
she thinks i'm beautiful
meet virginia
she never compromises
loves babies and surprises
wears high heels when shge exercises
ain't that beautiful
meet virginia
wear she wants to be the queen
ten she thinks about her scene
pulls her hair back as she scream
i don't really want to be the queen
her daddy wrestles alligatos
momma works on carberators
and her brother is i fine mdiator of the president
here she is again on the phone
