## "This Ain't Goodbye"

You and I we're friends from outer space  
Afraid to let go  
The only two who understood this place  
And as far as we know

We were way before our time  
As bold as we were blind  
Just another perfect mistake  
Another bridge to take on the way to letting go

This ain't goodbye  
This is just where love goes  
When words aren't warm enough  
To keep away the cold

Oh no, this ain't goodbye  
It's not where our story ends  
But I know you can't be mine  
Not the way you've always been

As long as we've got time  
Then this ain't goodbye  
Oh no, this ain't goodbye

We were stars up in the sunlit sky  
That no one else could see  
Neither of us thought to ever ask why  
It wasn't meant to be

Maybe we were way too high to ever understand  
Baby, we were victims of all  
All the foolish plans  
We began to divide  
But this ain't goodbye  
This is just where love goes  
When words aren't warm enough  
To keep away the cold

Oh no, this ain't goodbye  
It's not where our story ends  
But I know you can't be mine  
Not the way you've always been

As long as we've got time  
This ain't goodbye  
Oh no, this ain't goodbye  
Oh no, this ain't goodbye  
This ain't goodbye

You and I we're friends from outer space  
Afraid to let go  
The only two who understood this place  
And as far as we know

This ain't goodbye  
Oh no, this ain't goodbye  
This ain't goodbye  
Oh no, this ain't goodbye

This ain't goodbye  
This is just where love goes  
When words aren't warm enough  
To keep away the cold

Oh no, this ain't goodbye  
It's not where our story ends  
But I know you can't be mine  
Not the way you've always been  
Oh no, don't say it  
Don't say goodbye
