Love is crazy,
Especially when you crazy in love

(Verse 1)

She wanna know why I won't let my guard down
Cause I don't trust women, I ain't 'bout to start now
Nah, I'm looking for the dough, ain't looking for a
misses
She wanna get close, I'd rather keep my distance
I'd rather do me, she'd rather us
She think that she in love, I think that we in lust
And she could be the one, ain't no doubt about it
But I'm scared to give my heart cause my might just
die without it
And I ain't trying to lose myself in the name of love
Or in the name of lust or all of the above
So I do just what I does and by that I mean I live
Like I never wanna settle down, maybe have some kids
Shit, she just wanna be my only one without a doubt
I tell her they can see her name when I whip it out
Yeah, that's my little business, sometimes it might get
crazy
But I'd go crazy if I had to go without my

(Hook)

Baby, baby, baby, baby, yeah that's my
Baby, baby, baby, baby, yeah that's my
Baby, baby, baby, she crazy but that's my
Baby, baby, baby

(Verse 2)

You so fucking irritating yet you stay mad at me
Always on some bullshit, doing shit to rattle me
You don't ever text me back, I don't ever call you
Man we rarely see each other, plans always fall through
But that's ok, out of sight, out of mind
I don't trip, she don't cry, we can try again in time
Maybe we just need to take some time to let each other
grow
Maybe time apart is needed in order to get close
Threesomes with Mary Jane, we get our burn on

And when she spazzin on me, homey, I get turned on
She likes to argue so I fight with her
Knowing that she really just wants me to spend the
night with her
You see, she sensitive, she hate to show her feelings
But I know that she feel it every time I'm deep up in it
Yeah, that's my little business, sometimes I think she
crazy
But come to think about it I am too cause that's my

(Hook)

Baby, baby, baby, baby, yeah that's my
Baby, baby, baby, baby, yeah that's my
Baby, baby, baby, she crazy but that's my
Baby, baby, baby

You know what they say,
If there's no madness then there's no real love
