I'll forgoet what you said to me
Just pretend
Didn't mean anything
If I could clamp you shut
Maybe I just would
I'd leave you quiet for days
Would that do any good?

Hey...Have you lost the will to be?
Hey Did you take me for a fool?
Was that you inside of me?

I don't wanna hear you leave
I don't wanna leave you here

Everything, including the stars, is falling (baby)

You don't know when to shut your mouth
You keep on rambling around
If I could hold you down
Maybe I just would
On your face for days
Would that do any good?
