There is no need to lie
All of this is all of me
I don't want to make a friend
I don't want to win your approval
I have all i need
All you need
You don't need to understand
It would be far too basic if you could
If you could
It would be far too easy
Just respect
Just accept
Accept it all
Accept everything i tell
Don't accept me
But what i am
What fuels me
I can feel it now running deep through my veins
Deep through my soul
It flows like blood
It lets me breath
It lets me live
It helps me all the way through
Accept this
It flows through me
This is us
This is me
This is all of me
This is me
