(Verse 1)

Rock star swag, pop star look  
Rap star skill with them bars and that hook  
A chef with them beats, I go hard when I cook  
Flying off the best weed, I go far off that kush  
Any beat guarantee I properly damage it  
Making major power moves with no proper  
management  
Look at me now, used to get it making sandwiches  
And now I get it matching up percussion with the  
mandolins  
I'm fucking amazing, no rubber, raw  
Don't compare me to no other, nah  
They don't measure up to my silhouette  
Hemp papers for when I'm rolling my funny cigarettes  
Niagara falls in them draws when I get it wet  
That's cause I got catnip for that kitty cat  
Yeah, and I ain't even hit it yet  
Now you know what I'm on, baby, can you get with that

(Hook)

Aye, I ain't trying to small talk, I keep it 100  
And I ain't trying to front, shawty, I'm just trying to gun  
it  
And I ain't trying to chase, I ain't down for the running  
So if you down with it then act like you want it  
Aye, I ain't trying to small talk, I keep it 100  
And I ain't trying to front, shawty, I'm just trying to gun  
it  
And I ain't trying to chase, I ain't down for the running  
So if you down with it then act like you want it, aight?

(Verse 2)

Yung Trak on fire like a lighter, man  
Hot boy bring the hoes out like a fireman  
OG got my eyes like a china man  
Nerd from the hood sipping Olde E and Heineken  
Number one on top, yeah you might've been  
Aye but I'm me, you won't find nobody tighter than  
You need a beat? I'm the one you need to hire, man  
Aye Big Redd with me baby so invite a friend

Commit sin, get it popping like a frying pan  
She rolling up again? We getting hire then  
I'm so cool with it, and she a fool with it  
Showing me that she know just what to do with it  
Yeah, ultimate satisfaction  
Yung TrakBoss sex drive never lacking  
No offense I just want to get it cracking  
So if you really 'bout it show me with your actions

(Hook)

Aye, I ain't trying to small talk, I keep it 100  
And I ain't trying to front, shawty, I'm just trying to gun  
it  
And I ain't trying to chase, I ain't down for the running  
So if you down with it then act like you want it  
Aye, I ain't trying to small talk, I keep it 100  
And I ain't trying to front, shawty, I'm just trying to gun  
it  
And I ain't trying to chase, I ain't down for the running  
So if you down with it then act like you want it, aight?

(Verse 3)

Yung TrakBoss, I be on that pimp shit  
If you lack initiative I'ma lack interest  
All night I been throwing you the hint, miss  
You don't want to miss this, if you do tisk tisk  
Whatever, light up the tree like it's Christmas  
Ain't nobody seeing me, God as my witness  
Yeah, it ain't a cure for my sickness  
One man band man, never need assistance  
I got bars, I ain't talking 'bout a phone signal  
And if you think not, what the fuck is wrong with you  
Nigga, every song is crack music  
Catchy ass flow, you can't help but rap to it  
Baby girl this is how we gon do it  
I insert half, guarantee you gon lose it  
And if you don't believe me, let me prove it  
But don't be looking out for cupid

(Hook)

Aye, I ain't trying to small talk, I keep it 100  
And I ain't trying to front, shawty, I'm just trying to gun  
it  
And I ain't trying to chase, I ain't down for the running  
So if you down with it then act like you want it  
Aye, I ain't trying to small talk, I keep it 100  
And I ain't trying to front, shawty, I'm just trying to gun  
it  
And I ain't trying to chase, I ain't down for the running  
So if you down with it then act like you want it, aight?

Act like you want it, aight?  
Act like you want it, aight?
