La da, la da da da da da

Coolest nerd you've ever met

La da, la da da da da da
La da da da da da da daaaa
Coolest nerd you've ever met

(Verse 1)

Aye you can find me, Eastside, lakefront
Probably at the point rolling up, 'bout to bake
something
Or maybe in the studio bout to lay something
At the boards adding EQ to the bass drum
Job of your dreams, they say it's hard to get
If I wasn't doing this I would be an architect
In high school it was floor plans in drafting
Until the school talent show, found a new passion, yep
While everybody was concerned bout they're outfits
The in crowd, and who they going out with
I was discovering a new creative outlet
Rappers that I looked up to I'm trying to outstrip
At first glance, they don't wanna take me seriously
No ink, nigga? You don't fit the imagery
Of what a rapper supposed to look like in this industry
But I'm from the hood, too, I just move differently

(Hook)

Coolest nerd you've ever met
Inhaling my weed smoke
Never in the streets, though
But still still keep it G, hoe
Still keep it G, hoe
Still keep it G
Coolest nerd you've ever met
Inhaling my weed smoke
Never in the streets, though
But still still keep it G, hoe
Still keep it G, hoe
Still keep it G

La da, la da da da da da

La da da da da da da daaaa
Coolest nerd you've ever met

(Verse 2)

A threat to some but threatened by none
Little nigga got a flow but he better with drums
TrakBoss, picked up a mic but never the gun
And niggas is scared to fight so it's better to run
Call me what you want, anything but a statistic
Can't even go and get a bag of chips and a mystic
From the corner store without having to watch for a
misfit
That's holding that bang and he'll pull it with quickness
You thinking we different, but really we not
We all trying to survive and not get put in a box
We all trying to get money and maybe get off the block
Only you pushing the rock, I need the music to pop
Let me tell you 'bout how they don't wanna take me
seriously
Clean cut nigga with a lyrical ability
Being fake to yourself, boy, you got no dignity
I ain't playing a character, nigga, this is me

(Hook)

Coolest nerd you've ever met
Inhaling my weed smoke
Never in the streets, though
But still still keep it G, hoe
Still keep it G, hoe
Still keep it G
Coolest nerd you've ever met

Never in the streets, though
But still still keep it G, hoe
Still keep it G, hoe
