Uh, yeah
Uh, yeah
Uh, yeah
Uh, yeah
Uh, yeah
Uh, yeah
Uh, yeah
Uh,
Uh,

I don't know about you but I need a little change
From the same make it rain songs in the game
I got hip hop flowing all in my veins
But I'm a little bored so I'ma switch lanes
I'm in the mood for something more smooth
Something more cool, something with a groove
Something you can sit back, burn a L to
Or use as inspiration for your own tune
Yea, I know you like that, make room
I'm here and I ain't leaving no time soon
I was fly when you was inside your cocoon
Now watch TrakBoss fly straight up to the moon
When it come beats I am second to none
And with this beat I'ma have a little fun
So for the next minute, will you put away the gun?
So I can breathe a different kind of air into your lungs

(Hook)
This here, this here, this here
This is a breath of fresh air for
Your ear, your ear, your ear
I ain't really like it over there so
I'm here, I'm here, I'm here
You are now rocking with the best, though
This here, this here
Be fresh air, take a deep breath, yo

Now this here is that feel good energy
Anything else not really worth listening
Sit back, Yung Trak got the remedy
Listen to the beat, I guarantee you'll be feeling me
I know you like it even though you won't admit it

You act like you don't get it but I know you like the lyrics
I know you want to spit it, too, but you too timid
Cause you scared of being different, that ain't a way of
living
Listen, let me clear up the air
I really like it other there but it's cozy in here
I would love to kick back, maybe pull up a chair
But I can't stay long cause I want a career
I can't stay long cause I want a career
So that means this air I cannot share
It ain't fair, but that don't mean that we can't have fun
Causes I'ma still breathe new O2 in your lungs

(Hook)

(Bridge)

Come on and take a ride with me
And get a whiff of that Lake Michigan breeze
Come ride through the Chi with me
And get a whiff of that Lake Michigan breeze
Come on and take a ride with me
And get a whiff of that Lake Michigan breeze
Come ride through the Chi with me
And get a nice whiff of that Lake Michigan breeze, yeah

(Hook)
