(TrakBoss)

You know what I do and if you don't you need to listen
It's audio crack but I'm never in the kitchen
I stay up in the studio recording and mixing
If Trak aint produced it something probably missing
Yea, it's lucky entertainment
If you aint talking bout hits we don't know the language
All about a dollar, aint a dime that could change it
She better find her own umbrella if it's raining
I learned from my mama how to treat em like a lady
Taught myself how to treat them if they try to play me
Had one, lost one, yea it kinda phased me
Fell down, bounced back, now it's all gravy
Beat game crazy, boy I'ma animal
Prince say I'm cold blooded but I'm still a mammal
though
I'ma get it done, it aint nothing I can't handle jo
TrakBoss, down to earth, on another planet though

(Hook - TrakBoss & Joonya)

Welcome to the Mind of a Monster
Trak, throw the beat on, I promise that I gotcha
Joonya go hard, lace it up real proper
Welcome to the Mind of a Monster
(Repeat once)

(Joonya)

Welcome to the Mind of a Monster
Big foot flow, beat low, no other
Frankenstein rhymes come alive of the page
A rage on the stage, you can't lock me in a cage
Rappers look scared now the boogie man came
He cannot be tamed and he's puttin them to shame
Spittin fire like a dragon, don't get caught in my flame
Don't get caught in my aim, too late, I got the game
You looking at a monster, a real life nightmare
Not under your bed or in your closet, I be right here
Run around your head and jump over to your right ear
Run back across the middle and end up in your left ear
Can you hear me? What I'm sayin do you feel it?
Somethin's living inside of me, it's time to reveal it
How you know what's real if you don't know what unreal

is
I'm letting the monster out, I'm done tryin to conceal it

(Hook - TrakBoss & Joonya)
Welcome to the Mind of a Monster
Trak, throw the beat on, I promise that I gotcha
Joonya go hard, lace it up real proper
Welcome to the Mind of a Monster
(Repeat once)
