Chorus:

I found the answer
I learned to pray
With faith to guide me
I found the way
The sun is shining
For me each day
I found the answer
I learned to pray

I was weak and weary
I had gone astray
Walking in the darkness
I could not find the way

Then a light came shining
To lead me from despair
All my sins forgiven
And I was free from care

(Chorus)

Keep your Bible with you
Read it everyday
Always count your blessings
And always stop to pray

Learn to keep believing
And faith
Will see you through
Seek to know contentment
And it will come to you

(Chorus)
