Stand your ground
Don't let life get you down
Spirit's gonna lift you up

Stand your ground
Don't let your head hang down
Spirit's gonna lift you up

Stand your ground
One day you'll wear a crown
Spirit's gonna lift you up

If you hold on till the end
It's guaranteed you'll win
Spirit's gonna lift you up

When my life was filled
With nothing but pain
Jesus lifted me
Through the storm
And the rain
I called out His name
And He gave me the victory

Stand your ground
Though your world
May shake and move
Spirit's gonna lift you up

Stand your ground
Satan will try to stop you
Spirit's gonna lift you up
Hold out 'til the end

Stand your ground
One day you'll wear a crown
Spirit's gonna lift you up

If you hold on till the end
It's guaranteed you'll win
Spirit's gonna lift you up

He guides the future
As He did the past
God, the Son in unity
With the master plan
And a wave of His hand
From nothing
He made you and me
(You and me)

Stand your ground
Stay in His will
Spirit's gonna lift you up

Stand your ground
Just stand still
Spirit's gonna lift you up
Hold out 'til the end

Stand your ground
One day you'll wear a crown
Spirit's gonna lift you up

If you hold on till the end
It's guaranteed you'll win
Spirit's gonna lift you up

Plant your feet
On solid ground
Don't let nobody
Turn you around

Keep your hand
In the Master's hand
He'll give you power
(Take a stand)
To make a stand

Stand still
Stay in His holy will
Stand still
The battle is the Lord's

Stand still
Stay in His holy will
Stand still
See the salvation of the Lord
