In case you have fallen
By the wayside of life
Dreams and visions shattered
You're all broken inside
You don't have to stay
In the shape that you're in
The potter wants to put you
Back together again
Oh, the potter wants to put you
Back together again

In case your situation
Has turned upside down
And all that you've accomplished
Is now on the ground
You don't have to stay in the shape
That you're in
The potter wants to put you
Back together again
Oh, the potter wants to put you
Back together again

[Chorus:]
You who are broken
Stop by the potter's house
You who need mending
Stop by the potter's house
Give Him the fragments
Of your broken life
My friend
The potter wants to put you
Back together again
Oh, the potter wants to put you
Back together again

Joy in the potter's house
Peace in the potter's house
Love in the potter's house
There is salvation
In the potter's house
There is healing
In the potter's house

There is deliverance
In the potter's house
You'll find
Everything you need
In the potter's house

The potter wants to put you
Back together again
Oh, the potter wants to put you
Back together again
