What shall I do
What step should I take
What move should I make
Oh Lord, what shall I do

I'm going to wait
For an answer from You
I have nothing to lose
Oh Lord, I'm going to wait

I know You'll come through
With a blessing for me
Please Lord set my soul free
Oh Lord, I know you'll come through

I can't live without Your help
I am weak all by myself
Lord please give me the strength I need
So I can possess eternal peace

[Choir: repeats]

No one else can calm my fears
God alone can wipe away my tears
Glory to the mighty king
In Jesus Christ I have everything

Oh there's no one like Jesus
Who can heal broken hearts
And put them back together again

What shall I do
What step should I take
What move should I make
Oh, Lord What shall I do

I'm going to wait
I know you'll come through
