Left, my hand, umbaba
Right my hand, umbaba
Left my arm umbaba
Right my arm umbaba
Left my ear, umbaba
Right, my ear umbaba
Right, I hear and
Left, I leave
Left, my eye umbaba
Right, my eye, umbaba
Left, my heart
Right Â...Â...Â...umbaba
Left, my heart
RightÂ...Â...
Left I took I took and
Right I left umbaba
Right I leave umbaba
Left I Â...Â...umbaba
Left, I caught a fly but
Right, I killed a fish and
Right, I eat umbaba
Left, I carve umbaba

Danger, crossing is dangerous

Left, sometimes, became right. Left I thought you were there, but you moved to go on the other side. Left, you don't know what kind of stuff..

and the confusion you're throwing it into.
